

## TAB Denver West Members Named Finalists in 2020 Colorado Companies to Watch

Colorado Companies to Watch (CCTW) recently announced the finalists of its 2020 Colorado Companies to Watch Awards. The awards celebrate high-performing, second-stage companies and their contributions to Colorado's economy via job creation, revenue generation, innovative products and services and philanthropic efforts.

Jill Terry of CCTW stated, "Our Finalists stand out above all others and are the driving force behind Colorado's economy and are the hope for the state's recovery. We are honored to recognize their success."

TAB Denver West is proud to announce that two of its valued TAB Board Members made this year's list of CCTW finalists. We salute both Antonio Wint of Syn Ack Fin and Michael Sutton of Kind Home Solutions for contributing so much to our collective brain trust at TAB Denver West and the Denver Business Community at large.
